

PRODUCT CENTRAL

110 Maintainer TECHNICAL DATA

◆ ONE-STEP ◆ ◆ CLEANER ◆ ◆ RESTORER ◆

Product Central 110 Maintainer is one-step cleaner and conditioner for maintaining floors using a wet mopping system and high-speed buffers/burnishers. Regular use of Maintainer can extend the life of your floor two-or-three fold, with only 3-4 coats of floor finish. 100% biodegradable and phosphate free.

EASY TO USE

- Dispense automatically with the Product Central Express Dispenser.
- Simply damp mop the floor using Maintainer.
- Let the floor dry.
- Buff/burnish to a remarkable gloss.
- Regular use of Maintainer can improve the static coefficient of slip resistance as much as 0.1 (as measured on the James Machine).
- Maintainer can also be used in a spray bottle for light spray buffing and the removal of stubborn black marks.

SAFETY PRECAUTIONS: Wear protective gloves and safety goggles when handling this or any other cleaning product.
