

PRODUCT CENTRAL

113 Pre-spray & Spot Remover TECHNICAL DATA

Product Central 113 Pre-Spray & Spot Remover is a balanced blend of detergents and water-dilutable solvents. It is designed to penetrate soiled carpet areas prior to extraction cleaning, spin cleaning or stain and spot removal. It quickly and effectively loosens oil and water-soluble soils, without leaving a residue. 100% biodegradable and phosphate free.

EASY TO USE (USE COLD WATER)

Extraction Method

- Dispense automatically using high flow fill button into a pump-up or electric sprayer.
- Liberally spray the carpet or upholstery prior to extraction.
- Let the area soak for 10 minutes.
- Rinse extract using the **Product Central Rinse Agent**. Do not use extraction shampoo.

Rotary Spin Cleaning

- Dispense automatically using high flow fill button into bucket.
- Submerge the spin cleaning pad into the bucket and wring out excess liquid.
- Spin clean carpet area.

Spot Removal

- Dispense automatically using low flow fill button into bottle.
- Liberally spray the spot directly.
- Tamp the area.
- Rinse extract or blot. Refer to spotting guide.

NOTE: Use a carpet dryer after each method.

SAFETY PRECAUTIONS: Wear protective gloves and safety goggles when handling this or any other cleaning product.

SPECIFICATIONS		
Dilution	High Flow	1:64
	Low Flow	1:32
Yield/cartridge	High Flow	24 gallons
	Low Flow	12 gallons
pH		5 - 6
Color		None
Odor		None
Weight per gallon		8.70 lbs.
Packaging		½ gallon cartridge
Shelf Life		1 year
