

PRODUCT CENTRAL

114 Carpet Rinse Agent TECHNICAL DATA

◆ ◆ NEUTRALIZES ◆ ◆ ◆ DE-BROWNS ◆ ◆

Product Central 114 Carpet Rinse Agent is a specifically formulated product for removing residues in carpets caused by shampoos, cleaners, spotters and pre-sprays. Prevents browning of carpets from alkali build-up and soil attracting residues. Can also be used to restore a owning problem in a carpet.

EASY TO USE

- Dispense automatically with the Product Central Express Dispenser.

Extraction Method

- Pre-spray carpet area liberally with **Product Central 113 Pre-Spray and Spot Remover**.
- Let the area soak for 10 minutes.
- Rinse extract using the **Product Central Rinse Agent**. Do not use extraction shampoo.

Spot Removal

- Liberally spray the spot directly with the appropriate spotter.
- Tamp the area.
- Rinse extract using the **Product Central Rinse Agent**. Do not use extraction shampoo.
- Refer to spotting guide.
