

PRODUCT CENTRAL

118 EPS

Environmentally Preferable Stripper & Heavy-Duty Degreaser

TECHNICAL DATA

Product Central 118 EPS (Environmentally Preferable Stripper) is a concentrated floor stripper and heavy-duty degreaser, designed to penetrate fast and easily remove green, non-zinc cross-linked floor finishes. It is non-corrosive per Department of Transportation standards, and it contains no harsh butyl, phosphate or caustic-based materials. EPS is formulated to meet Green Seal's GS-40 standard when used at the prescribed dilution. EPS is available in ½-gallon cartridges for use in the Product Central Express Dispensing System, and individualized portion-control quart bottles.

EASY TO USE (USE COLD WATER)

- For floor stripping use with a wet mopping system or automatic equipment.
- For general heavy-duty cleaning use at with sprayers, wipers, sponges, and pails.

Mix **118 EPS** with cold water as follows:

- 1 quart to 5 gallons for the removal of 1 to 3 coats of floor finish
- 1 quart to 4 gallons for the removal of 4 to 6 coats of floor finish
- 1 quart to 3 gallons for the removal of 7+ coats of floor finish
- 4 to 32 ounces to 1 gallon to degrease

SAFETY PRECAUTIONS: Wear protective gloves and safety goggles when handling this or any other cleaning product.

SPECIFICATIONS		
Dilution/Yield for ½-gallon cartridge	1:20	10 gallons
Dilution/Yield for multi-dilution portion control quart bottle	1:20	1 quart/5 gallons
	1:16	1 quart/4 gallons
	1:12	1 quart/3 gallons
pH	11.0 - 11.4	
Color	Clear	
Odor	Mild characteristic	
Weight per gallon	8.34 lbs.	
Packaging	½-gallon cartridge quart container	
Shelf Life	1 year
