

MASSCO**CITRISAN** Concentrate

d-Limonene and Hydrogen Peroxide Fortified
Kitchen & Bathroom Cleaner with Non-Bleach Whitener

A "Natural Alternative" to petroleum hydrocarbon solvents...

Fortified with biodegradable d-Limonene and hydrogen peroxide, this breakthrough formula is specifically designed for applications where flammable, toxic solvents or caustic alkali products are not desired. It will attack odors while restoring tile and whitening grout in kitchens and bathrooms. Amazingly, it can also clean glass, stainless steel and effectively cleans carpeting. This water-emulsifiable cleaner/degreaser can be used in concentrated form or diluted with water.

A multi-purpose supercleaner for use in all types of equipment...

Glass Cleaning

All-Purpose Cleaning & Degreasing

Bathroom & Kitchen Cleaning

Rug & Upholstery Cleaning

Floor Care

Can be used four ways to tackle all your cleaning needs...

(Turn proportioner selector knob to desired use or dilute manually)

• **Glass & Hard Surface Cleaner**

Cleans glass, mirrors, stainless steel, countertops. Just spray and wipe. No streaking or smearing.

Dilute ¼ oz per gallon of water. (1:256)

• **All-Purpose Cleaner**

Cleans countertops, walls, chairs, doors. Can be used as a general floor cleaner for mopping and autoscrubbers. Works effectively as a carpet spot remover and extraction solution.

Dilute ½ oz per gallon of water. (1:128)

• **Sanitary Cleaner**

Cleans bathrooms, counters, fixtures, urinals, bowls and surfaces heavily contaminated with organic matter. Cleans tile and whitens grout in shower rooms, locker rooms and pool decks. Attacks soap scum, body oil and mold on shower surfaces. Removes stubborn spots from rugs and upholstery and can be used as a carpet extraction prespray. Eliminates odors caused by urine, garbage and pets. Use for general spray and wipe degreasing.

Dilute 5 oz per gallon of water. (1:25)

• **Heavy-Duty Degreaser**

Removes stains from concrete, degreases engines and motors, removes tar and asphalt. Easily removes heavy grease, oil and other petroleum-type soil deposits from metal, unpainted and painted surfaces. Excellent for garbage trucks and dumpsters. Can be used in grease traps and as a drain line maintainer.

Dilute 13 oz per gallon of water. (1:10)

CITRISAN

Concentrate

Kitchen & Bathroom Cleaner with Non-Bleach Whitener

DESCRIPTION

An amazing new product that cleans, deodorizes and degreases. Whitens tile and grout while eliminating grime, filth, stubborn stains and malodors. For use on greasy kitchen and bathroom floors, showers, carpets, pool decks, resilient and concrete floors. Excellent for all water-washable surfaces contaminated with organic matter. Can be applied by spraying, mopping, auto scrubbing and carpet extraction applications.

DIRECTIONS FOR USE

Glass and Hard Surface Cleaning:
Dilute ¼ oz per gallon of water. (1:256)

All-Purpose Cleaning:
Dilute ½ oz per gallon of water. (1:128)

Sanitary Cleaning:
Dilute 5 oz per gallon of water. (1:25)

Heavy-Duty Degreasing:
Dilute 13 oz per gallon of water. (1:10)

For above dilutions apply by spraying, wiping or mopping. Rinse if necessary.

For auto scrubbing and carpet cleaning use according to equipment manufacturer's instructions.

See your **MASSCO** representative for further use instructions.
