

# You can go to this extreme to use butyl strippers!

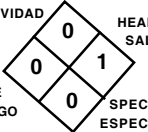

# Or, you can use...

PRODUCT CENTRAL	
118	EPS™ Environmentally Preferable Stripper & Heavy-Duty Degreaser
A CODE: GREEN™ Product	

- ◀ No odor
- ◀ No slip
- ◀ No problem

A super-concentrated, fast-acting, efficient, economical stripper and heavy-duty degreaser. Non-corrosive, non-flammable, phosphate-free, butyl-free, biodegradable, and no odor. Through advanced chemistry, **EPS™** is formulated to quickly break the strong thermo-fusion bond of metal and non-metal interlock finishes and clean and degrease hard surfaces and equipment. **EPS™** minimizes the need for toxic and high volatile chemicals that can harm employees, patrons, and the environment. **EPS™** has a Volatile Organic Compound (VOC) level that is less than 2% (in use dilution) and a pH level between 7.0 and 10.0 at the time of entry into the waste stream. Available in 12 quarts of super-concentrate per case.
