

M.D. STETSON

#60 CAPFUL

CAPFUL is a wash-by-hand dish detergent that has been formulated to provide maximum cleaning of dish and flatware. This product is highly effective in removing grease from surfaces such as the glass in deli cases and popcorn machines. CAPFUL has an almost neutral pH and is gentle to the hands. CAPFUL maintains its efficient cleaning action in hard water. This product is biodegradable in septic systems. CAPFUL is not to be used in automated dish washers.

DIRECTIONS FOR USE:

Use Capful at ½ to 1 ounce for each gallon of water, hot or cold. At these levels Capful will give a copious sudsing action. After rinsing, glassware will dry streak-free. Do not use this product in automatic washing machines.

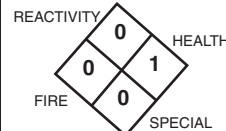

PACKAGING:

Available in 1 gallon jugs, 5 gallon plastic pails, 30 and 55 gallon drums.

SPECIFICATIONS:

Form opal liquid
Odor floral
Alcohol insoluble 0.2% maximum
